💼 Portfolio

EDUCATION

2022 - 2026

FPT University Campus HCM

GPA : 3.17/4.0

CERTIFICATES

- "Software Development Lifecycle" - Coursera(certificate)
  Completed: June 19, 2024

- "Object Oriented Programming in Java" - Coursera(certificate)
  Completed: January 16, 2024

- "Web Design for Everybody: Basics of Web Development & Coding" - Coursera(certificate)
  Completed: January 13, 2024

AWARDS

- Top 100 Students of Semester(certificate)
  Awarded: 2024 Spring

HOBBIES

- Listening to music with emotional or uplifting melodies, including J-pop, V-pop, symphonies, and occasionally metal

OBJECTIVE

Short-Term:
Develop strong Java Spring Boot skills and gain practical experience in backend development and teamwork.
Long-Term:
Progress towards becoming a Solution Architect, mastering system design, cloud technologies, and leading complex projects.

TECHNICAL SKILL

- **Programming Languages:** C (Fundamental, Basic) | Java (4 semesters) | C# (WPF, Fundamental) | Javascript (Basic)
- **Frameworks:** Spring Boot (2 semester) | .NET (1 semester) | Bootstrap (Basic)
- **Database:** SQL Server (3 course-work projects) | MySQL (3 months)
- **VC/SCM:** Github (Intermediate)
- **Testing:** Junit (2 months)
- **Containerization:** Docker (3 months)
- **CI/CD:** Jenkins (Basic)
- **Cloud:** AWS (Basic)
- **Build Tools:** Maven (Intermediate) | npm (Basic)

SOFT SKILLS

- **Problem Solving:** Strong logical thinking and ability to find solutions to complex problems.
- **Team Collaboration:** Ability to work effectively with cross-functional teams.
- **Communication:** Clear communication skills in both written and verbal English.
- **Adaptability:** Quick to learn new technologies and adjust to changing environments.
- **Responsibility:** High level of responsibility and ability to complete tasks on time.
- **Time Management:** Efficient at balancing internship tasks with academic commitments.
